

WSQ Develop a Workplace Safety and Health Management System Implementation Plan (bizSAFE Level 4) a.k.a. Workplace Safety and Health System Management (Synchronous e-learning)

Course Duration: 30 hours

Course Ref. No.: TGS-2013500099

Skill Code: WPH-WSH-4086-1.1

Course Validity Period: 1st January 2019 – 13th October 2025

Overview

This course aims to empower participants to acquire the skills and knowledge to develop a Workplace Safety and Health Management System implementation plan based on SS ISO 45001 OH&S Management System Standard. On successful completion of this 4-day workshop, trainees will be awarded a Statement of Attainment (SOA) by SkillsFuture Singapore (SSG). The person who has successfully completed this course will be the WSHMS champion and deemed competent to develop a Workplace Safety & Health Management System Implementation Plan (WSHMS) for the organisation.

The Statement of Attainment on successful completion of this course will help the organisation achieve bizSAFE level 4 recognition by the Workplace Safety and Health Council. WSHMS champions can help organisations plan towards implementing a Workplace Safety and Health Management System.

Together with

- bizSAFE Level 1 Certificate of Attendance of CEO/Top management at the [bizSAFE Level 1 Workshop for CEO/Top Management](#),
- bizSAFE Level 2 Statement of Attainment at the [bizSAFE level 2 Develop a Risk Management Implementation Plan](#) course and
- a Risk Management Audit Report,

the bizSAFE Level 4 Statement of Attainment can be used to apply for bizSAFE Level 4 recognition for the organisation by the Workplace Safety and Health Council (WSHC).

Please note: If the WSHMS Champion changes or leaves your company, the newly appointed champion must attend the course as soon as possible to maintain your company's bizSAFE status.

With the launch of TPGateway on 12 Oct 2020, WSQ Competency Code (i.e. MF-COM-403E-1) and Competency Unit (i.e. Develop a Workplace Safety and Health Management System (WSHMS) Implementation Plan aka BizSafe Level 4) have been mapped to the new Technical Skills and Competencies (TSC) Code (i.e. WPH-WSH-4086-1.1) and TSC Title (i.e. Workplace Safety and Health System Management) under the Skills Framework for Workplace Safety and Health effective from 12 Oct 2020.

Objective
